TRAINING AGREEMENT

Before we can start any training program, we must establish a client/trainer/studio agreement that explains the responsibilities of each party. The client accepts this document at the time of purchasing any one of the training packages offered.

PAYMENT TERMS:

Payments of all training packages are to be made upfront to secure your booking for the month ahead. Once a monthly package has been chosen you commit to paying the full monthly fee, no exceptions will be made for any reason (i.e. illness, vacation, business, etc.) Sessions will only commence once fees have been debited in full. If the client should leave for any reason, one month's paid notice needs to be given. All payments are to be done via the website:

www.fitbaeinc.co.za

CANCELLATIONS:

24 hours cancellation notice needs to be given for any personal training sessions. Failure to do so will result in the loss of the session and will still be charged for. If 24 hours' notice is given, the session will be rescheduled if time allows for both parties. If the session/s is not made up by the end of that month the session/s will then be lost and not refunded.

Should you wish to cancel your training agreement for any reason, one full month's notice needs to be given. We will then deactivate your debit order.

REFUNDS:

No refunds will be given under any circumstances. Should you choose to leave you will forfeit your sessions and your full payment as your booking has already been confirmed.
